**Seminar in Milano, Italy, 11-12 October 2008**

*Directed by **Kondo Katsuyuki Sensei**, Menkyo Kaiden*

## **HOW TO REACH MILANO AND THE LOCATION OF THE SEMINAR:**

- **BY PLANE:** Milano is well connected with the International Airports of Malpensa (40mins taxi, car or train), Linate (30mins taxi, car, bus) or Orio al Serio (90mins car or 100mins bus). The suggested Airport is Malpensa, from which you can take "Malpensa Express Train" to Cadorna Station, from where you can take a taxi or change line and take the "Ferrovie Nord" direction MILANO-MEDA, stop "AFFORI".
- **BY CAR:** Milano is the main city in northern Europe and is connected through highways to all the other European Capitals. The A4 exit "Cormano" is the suggested exit to reach the training place.
- **BY OTHER PUBLIC TRANSPORTATION SERVICES:** From anywhere in Milano you can always use a Taxi (it's not particularly expensive), or take the bus lines 52/70/46 or take the Passante Ferroviario Line S2, stop "AFFORI".
